

- C. Number (singular or plural)
 - D. Stem (Qal, etc.)
 - E. Tense (Perfect, etc.)
 - F. Verbal Root (e.g. ר ז י)
 - G. Meaning of the Verbal Root (e.g. "to remember")
- V. Two Consonants Alike in a Row with a Silent Shewa under the First Consonant

When there are two consonants alike in a row, and the first consonant has a silent shewa under it, the first consonant assimilates into the second consonant doubling it, and the silent shewa that was under the first consonant drops out. (e.g. ר ז ר ז י - ר ז ר ז י - "we dwell").

assimilates in to following nun
 ר ז ר ז י
 \downarrow
drops out
