

Father. The Apostle Paul informs the Corinthians believers of this principle so that they might see that they have violated it and thus deserve to be condemned for it.

There is absolutely nothing in this passage then that contradicts the doctrine that Jesus is God.

Now we have examined six of the passages that the Jehovah's Witnesses say contradict the doctrine that Jesus is God. We have seen that when these passages are properly understood, they don't contradict this doctrine, but are perfectly consistent with it. Therefore, the Bible doesn't teach that Jesus isn't God as the Jehovah's Witnesses say. On the contrary, the Bible clearly teaches that Jesus is God, and unless the Jehovah's Witnesses believe that Jesus is God, they will suffer eternal punishment in Hell for their sins, for Jesus says in John 8:24, "if ye believe not that I am," i.e., that I am God, "ye shall die in your sins," i.e., you will suffer eternal punishment in Hell for your sins.

Let us, therefore, pray for the Jehovah's Witnesses that they will believe that Jesus is God, and that He bore the punishment which the law demanded for their sins "in his own body on the tree"<sup>15</sup> that they might be saved from this awful fate, and have eternal life.
