    - d) Pharaoh said, "I have to go see what those livestock up in Israel are like."
    - e) So he sent people to investigate the livestock in Israel and found all of them healthy.
    - f) Pharaoh still wouldn't let the people go so he sent another plague.
  - ii) 6th plague - boils *on man & his beast*
    - a) The Lord says to Moses, "I want you to go to Pharaoh and I want you to take a handful of soot from the furnace and I want you to throw it up in the air. And when as that soot comes down, boils are going to appear on all the Egyptian people and cattle."
    - b) Even with that Pharaoh hardened his heart so he wouldn't let the people of Israel go.
  - iii) 7th plague - hail
    - a) The Lord tells Moses, "Go and tell Pharaoh that if he doesn't let the people of Israel go, I am going to send hail and you are going to have the worst hail storm you've ever had in Egyptian history. And if there are any slaves working in the field or any animals out in the field when that hail strikes, they are all going to be killed."
    - b) Now there were certain ones by this time in Egypt who had believed what Moses had said and they got their slaves and animals under shelter.
    - c) But there were those who didn't regard God's Word and left their slaves and animals out in the field ~~and they died~~.
