

- d) When Aaron lifted the rod toward heaven, the hailstorm came.
 - e) We are told that any animals or any slaves that were out in the field were killed and the trees were stripped by that hail. Also the barley and flax crops were wiped out.
 - f) Finally Pharaoh said, "Alright, that's enough. I'll let the people go. Just remove the hail."
 - g) So the Lord removes the hail, but again Pharaoh refuses to let them go.
- 6) Exodus 10
- i) Economically Egypt is now suffering from loss of crops and cattle.
 - ii) 8th plague - locusts
 - a) Moses tells Pharaoh, "Now you let the people of Israel go or I am going to bring locusts. When these locusts come, they are going to cover the ground so that you can't even see the ground. The locusts are going to finish off every green plant."
 - b) Moses leaves and Pharaoh's officials comes to Pharaoh saying, "Pharaoh. You have to think about what you are doing. Look, we've lost all of our livestock. The hail has come and stripped the trees. We've lost our barley crop, our flax crop. Now if these locusts come, we are going to have nothing left. You had better get Moses back in here and tell him you'll let the people of Israel go."
 - c) So they bring Moses back in and Pharaoh asks Moses, "Now if you go, who is going to go?"
 - d) Moses says, "Everyone is going."
 - e) Pharaoh says, "Oh no. You wanted the men to go so only the men can go."
 - f) Moses says, "No way. The Lord says we all go."
 - g) Pharaoh says, "Then none of you will go."
 - h) So the Lord sends the locusts and everything green was destroyed and the economy of Egypt was in shambles and he still wouldn't let the people go.
 - iii) 9th plague - darkness
 - a) So the Lord sends darkness.
 - b) After three days of that, Pharaoh calls Moses in and he says, "Alright, you can take the men and women and children and go, but you can't take your livestock."
